Addendum # 02

RFQ # 02-2022

INQUIRY: A bidder sent an email in requesting clarification on information and documentation of the Disclosure of Political Contributions.

Clarification:

Page 1 of the Request for Qualifications (RFQ) does not itemize the requirement for a Political Disclosure Form.

Page 27 of the RFQ: Last Page/Bid Document Checklist has Political Disclosure Form listed

Page 23 of the RFQ describes the requirements of any business proposing to meet N.J.S.A. 19:44A-20.27 (P.L. 2005, c.271, S.3)

Response: This requirement was inadvertently omitted from the required list. It was however cured by the last page bid check Bid Documents Checklist. The two pages attached herein were inadvertently left out of the package.

Bidders are to complete for the Fair and Open RFQ the Certification and Political Contribution Disclosure Form
