

Protect Your SNAP and WFNJ Benefits From Theft

It's as easy as 1, 2, 3 with our new EBT Lock/Unlock feature.

1

Create or log in to your account on **NJFamiliesFirst.com** or on the **ConnectEBT** app.

ConnectEBT uses the same login as **NJFamiliesFirst.com**. It's the only official app for SNAP and WFNJ benefits and is available in the Google Play or Apple App Store.

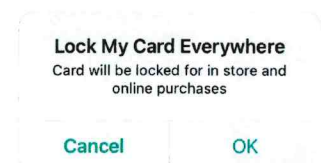

2

In the app, tap **"Lock/Unlock Card."** On the website, click **"Lock/Unlock Card"** in the top right corner.

3

Select **"Lock My Card Everywhere."** In the app, tap **"OK."** On the website, click **"Submit."**

When you are ready to use your benefits, log in to the app or website and tap **"Lock/Unlock Card"** to unlock your card. Select an option to automatically re-lock your card in 30, 60 or 90 minutes or select **"No"** to manually re-lock later.

Even if your card is locked, you will still receive your benefits!

Stay informed with texts or emails, sign up in **ConnectEBT** or at **NJFamiliesFirst.com**.
