

GOOD FOOD BUCKS

Use SNAP, get more Fresh Fruits and Vegetables!

How it Works

1

Shop for fresh produce using your SNAP EBT card at participating farmers markets and grocery stores.

2

Earn a Good Food Bucks fruit and vegetable coupon or a 50% discount on your purchase.

3

Get more fresh fruits and vegetables with your Good Food Bucks!

Good Food Bucks work a little differently at every location, and may come in the form of a coupon, token, or discount. Check in with your market's manager or your store's customer service team for more information about that location!
